

Principal's Words

Dear Parents,

I want to thank everyone that attended our Alumni Sabbath. The Lord truly blessed! It is wonderful to see how God has taken care of our school over all these years. He will continue to lead and bless this school as long as we keep following His Word.

We received a grant from the USA Soccer Foundation. Furman University's coach Bill Martin brought us soccer equipment for our young people to use. We are very grateful for this wonderful blessing.

We have installed security cameras in the school. This will help protect our young people and the school property.

Blessings,

David Pasos

Head Teacher

Upstate Christian Academy

We also would like to thank everyone for your support with our citrus sale fundraiser. Please keep us in mind for the next season! All information will also be available at the school's website.

The K5 thru 4th grades will be going to a Field trip to pick strawberries on Monday April 30th, 2012. The teacher's will be sending the forms to you very soon. Make sure to sign it and turn it in as soon as you can. This way the teachers will know how to plan accordingly.

Please remember that on Sabbath, April 7th, 2012 our school will be leading out the church program at the Spanish SDA church in Greenville, SC. All students participating will need to be dressed formally as we usually do for church programs ("church clothing").

Please make sure to take note on the dates at the bottom of this newsletter. We wouldn't want you to miss anything.

During April 16-20 our students will lead out during our student week of prayer at school. All are welcomed to come and enjoy this feast!

FYI

Our Prayer /Memorial dedication was very beautiful and meaningful! We are so thankful to all the people that helped make this moment a success. Please be advised that we are still working on finishing the other side of the sidewalk. If you are interested on buying a customizable brick please speak to Dily or David Pasos at your soonest convenience. It is our goal to finish the sidewalk before this year is over. With God's help and your support we can reach this goal.

QUOTE OF THE MONTH:

"Education costs money, but then so does ignorance"
