

Thanks. Well good morning had
a good day yesterday and
is talking to another
boy. But today we where
talking about God parents
and I told mom if any-
thing happened to us who would
you like to take care of
us and she said you and
Mrs. Dily. I thought that
was cool. Ok hope you
have a nice day.

Wow, that is so
sweet. I would have
two teens to take care

off! That would be fun,

It wouldn't be wonderful
