Dear UCA Teachers and Staff:

I am very proud and thankful to offer this commendation to you for the spirit of Jesus that fills and guides all the work and fun at Upstate Christian Academy each day. We are blessed that you have an attitude and example that reflects His love and interest in our children and their families.

It is an even greater blessing to have these same fine qualities demonstrated in our constituent churches and the evangelism, community services, nurturing activities, and worship services. Our church family is happier and healthier because of your ministry.

Our prayer groups and many of us personally pray for your strength and courage and steadfastness often.

May the blessings and shelter of God continue for each of you and our school!

Maranatha,

Gerald L. Mobley,  
Pastor
