

What is your learning style?

I am good at:

_____ making good choices. _____ finding the right answer.

_____ looking for things that belong together.

_____ understanding what other people think.

I like it then the teacher gives us:

_____ creative work. _____ problems with only one answer.

_____ group work. _____ experiments.

I learn best by:

_____ testing how things work. _____ working in groups.

_____ being alone. _____ thinking about it.

People say I am:

_____ good at finishing stuff. _____ creative.

_____ good at understanding.

_____ good at figuring things out.

One thing I am smart in is:

_____ thinking about things. _____ being excited.

_____ being useful. _____ being a good listener.

When learning, I enjoy:

_____ finding hidden ideas. _____ organizing ideas.

_____ finding how things relate to me. _____ finding the right answer.

I like it when:

_____ everyone agrees. _____ I find the right choice.

_____ I get my work done. _____ I can be creative.

I like to help by being:

_____ kind to everyone.

_____ good at figuring out what others are thinking.

_____ someone that others count on.

_____ good at helping others find the right answers.

I tend to be way too quick to:

_____ answer. _____ believe what others tell me.

_____ end things. _____ judge people.

Most of the time I am good:

_____ with people. _____ at getting my work done.

_____ at telling the truth. _____ at having fun.

When I am in class I like it when the teacher lets us:

_____ find answers to real problems.

_____ find the reason we are doing the problems.

_____ find ways to use things in everyday life.

_____ do new things.

I like people who are:

_____ nice. _____ different.

_____ good at getting things done. _____ smart.

I don't like teachers as much when they:

_____ are too strict. _____ are not organized

_____ show too much emotion. _____ don't seem to care about me.

Usually, I am good:

_____ at school work. _____ with people.

_____ at knowing what is real. _____ at creating new things.

I would like to:

_____ make the world a happier place. _____ learn all I can.

_____ solve problems. _____ create new ways of doing things.

When it's time to do something fun, I:

_____ like to do the same things almost every day.

_____ don't care what it is as long as my friends are with me.

_____ like to think of new games to play.

_____ like it when the teacher has us all play the same game.
